SWITCHED ON...

AS A FULL SERVICE AGENCY, RATHER THAN ONE THAT JUST PRETENDS TO BE, DMG USES ALL ITS CREATIVE ABILITY, PIONEERING TECHNOLOGY AND INTEGRATED TECHNIQUES TO DELIVER TANGIBLE RESULTS. WE OFFER EVERYTHING YOU'D EXPECT FROM A FULL SERVICE AGENCY, BUT ACCORDING TO OUR CLIENTS, WE JUST DO IT BETTER.

With over ten years experience of working with some of the most fantastic brands, creating global communications that successfully transfer brand equity across continents and all digital platforms, is exactly what we do. It's not just about catching the 'big idea'. It's about creating the best ideas for your brand, product or service. Delivering the right message and standing out from the crowd is not enough anymore.

The world's gone digital, and that's where we live...

MOTOROLA MDF CAMPAIGN CENTRE

Motorola is committed to our partnership to develop business in mobile communications. Making it simple to work together is critical, so we have developed the Campaign Centre. From here you will be able to manage all aspects of your joint marketing activity with Motorola. From adopting high quality, pre-made demand generation campaigns, to requesting support for your own marketing activity. All this can be done quickly and simply on-line, allowing you to keep clear visibility of your marketing relationship with Motorola.

Children's Outdoor Clothing, Waterproof Clothing, Skiwear and Winter Clothes, Sussex, UK

Welcome to Raindrops, for children's outdoor clothing, waterproof clothing as well as skiwear clothes and winter clothes. Protection from the elements, Scandinavian Style and as the saying goes 'there is no such thing as bad weather, just the wrong clothes'.

Raindrops started 15 years ago and is based in Sussex, UK. Our unique Scandinavian winter clothes collection and waterproof clothing is constantly improving and we never compromise on quality. This season we have lots of new brands and products including Abeko Rainwear and Merino Wool thermals for children and adults, Otkor Gokker Romper suits and all-in-ones from Denmark, Ketch children's outdoor clothing, skiwear and winter clothes from Sweden, specializing in snowsuits and winter gloves and hats for Lapland and the popular Nowall moccasins. Abeko are celebrating their 60th birthday and we are offering you some fantastic offers and savings (£4.00 off when you buy an Abeko waterproof jacket and waterproof dungarees with a pair of wellington boots. (Raindrops will deduct this offer automatically when processing your order).

Hoping you will stay dry and warm this winter with our children's outdoor clothing, waterproof clothing, skiwear and winter clothes collection.

Siemens Traffic Solutions - Keeping the capital moving

From signal maintenance to communications, Siemens Traffic Solutions uses proven traffic technology across a wide spectrum of applications in London. The company provides high priority technology for the BUIS project and deliver design work alongside new junction equipment as part of a modernisation programme across the city. Siemens have also installed, and now operate cameras and roadside equipment for the Western Extension Zone, Lane Extension Zone and have installed new equipment throughout the original congestion charging system. Ongoing work to keep the capital moving continues as Siemens deploy the skills of a dedicated team to the challenge of running one of the Asia-Pacific signal maintenance clusters in the capital.

Technology for the Environment

Global warming is already a reality. What remains uncertain is when it will become a disaster. At Siemens we believe we all have a chance to determine our destiny by developing and implementing energy-saving technologies.

SIEMENS

How can cities like London sustain their exponential growth?

Siemens answers:

Through innovative solutions for sustainable use of energy
